

PARKS MASTER PLAN CONCEPT PRESENTATION

City of Lockhart Parks, Recreation, and Open Space Master Plan

The City of Lockhart contracted Burditt Land | Place

Consultants, to assist in the facilitation and develop of a Parks, Recreation, and Open Space Master Plan, a community planning tool, utilized by Lockhart City Council and City Staff to guide community parks and recreation development for years to come.

As part of the master planning process, Burditt will present community survey findings, steering committee comments and park facility concepts and ideas for public comment at a public workshop. The workshop is to be held on Wednesday, December 6, 2017 from 6:00-7:30pm at the Lockhart City Hall, 308 West San Antonio Street, Lockhart, TX, in the Glosserman Room. Citizens are invited to attend and share their feedback on the concepts and ideas for future parks and recreation opportunities. The meeting is designed as an open house with a come and go, or come and stay format. Residents, business owners, and anyone interested in the future of Lockhart is invited to stop by and planners and designers from Burditt Consultants will be on hand to answer questions and collect feedback.

The City of Lockhart began the development of a new Parks, Recreation, and Open Space Master Plan in Summer 2017, by meeting with City Staff and cataloguing community information by an on-site assessment. The new plan will provide recommendations for existing park improvements, enhancement of recreational opportunities, improving connectivity and walkability within the community and provide recommendations on future parkland acquisition and development. The Plan shall provide a guide for decision-making by City Council, City staff, developers, residents, and anyone with a stake in the future of our community.

The City invites and encourages all citizens to get involved with the planning process. People are encouraged to participate in the Town Hall meeting and/or the online Parks, Recreation, and Open Space Master Plan Survey at <http://www.lockhart-tx.org/page/homepage> If you have any questions please contact Vance Rodgers or Connie Constancio at 512-398-3461.
