

The 27th Annual Dickens Christmas in Lockhart is Dedicated to the Memory and Honor of Emma Lue Mohle

The 2016 Dickens Christmas in Lockhart is dedicated to a person who, without ever calling attention to themselves, made Lockhart

a better place!

Emma Lue Mohle was a teacher for 31 years. During that time she, and her devoted husband Paul, raised two daughters and worked with many civic organizations. Emma Lue served on the Soil and Water Conservation Board for 15 years; she was active in the United Methodist Women, and a 50 year member of Delta Kappa Gamma Society, which promotes professional and personal growth of women educators and excellence in education. Emma Lue worked with the Vocational Office Education program and helped prepare many students for life in the business and professional world.

When Emma Lue retired from teaching she devoted even more time to her community. She was active in the Legion Auxiliary, Meals on Wheels, the American Cancer Society, the Retired Teachers Association, the Irving Club and more. Emma Lue and Paul transported countless patients for medical treatments.

Emma Lue made a difference in her student's lives, she knew that literacy was the key to success in life and instilled that in them. She was a loyal Library supporter and loved the Dickens Christmas celebration.

Emma Lue never really stopped being a teacher as she quietly taught us all the value of community service. It is with great gratitude that we dedicate
