MAJOR CEMETERY CLEAN UP

March 27, 2017

A major cleanup of the Lockhart Municipal Cemetery on Hwy 183 will begin. Such cleanups are done twice a year to eliminate unsafe and unsightly conditions. All areas of the cemetery will be video taped to identify these conditions.

People that want to keep sentimental items and/or flowers that could be considered unsightly or faded, including artificial groundcover in Northeast Section Block IV, should remove those items *before March 27, 2017*.

Questions may be directed to Chris Sager, Cemetery Manager, at 398-6452 during normal business hours.
