- Where?** CITY PARK
Main/Central Pavilion—Pool Parking Lot
- What will we take?** Cleaning products: drain cleaners, concentrates, degreasers, oven cleaners, solvents; polishers, pool chemicals, household batteries, paints, varnishes, etc...
- We will NOT take:** Waste generated by businesses & commercial farming, **tires**, chemical containers larger than 5 gallons, medical waste & sharps, empty containers, compressed gas cylinders, ammunition, gun powder, metal, wire and PCB's
- Disposal cost to you?** None

*Recycle old electronics at
the Lockhart Recycling
Center*

SAFETY TIPS! (For Collection Day)

- Bring products in the original containers—Do not mix products!
- Make sure containers are properly sealed and labeled correctly.
- If the container leaks, pack in larger container and use absorbents, such as cat litter, to soak up leaks.
- If you do not know what it is, mark it "unknown."
- If possible, place materials in cardboard boxes—boxes with dividers make for good packaging.
- Place materials in areas away from drivers and passengers.

*Residential Only
No waste generated by
businesses*

Did you know it can be unsafe to dispose household hazardous waste in with your everyday garbage. Many can cause serious injury to employees who pick up your garbage. Whenever possible avoid purchasing such items because of the disposal liabilities, costs, and environmental dangers. If you must purchase, buy in quantities for immediate use-only enough for what you need. Please explore alternative products that are environmentally friendly / safer.

**You must be a Lockhart City Resident to participate in the event.
Bring Utility Bill or other proof of residence.**
