

District 1 Pride is a non-profit organization that is funded solely by local business donations, volunteers, and city support.

Kenny Roland and Frank Gomillion are the founders of District 1 Pride.

District 1 Pride instituted and sponsored the first MLK march in January of 2004. We also sponsor a Juneteenth Family Picnic in the park and currently award two scholarships to Lockhart High School seniors.

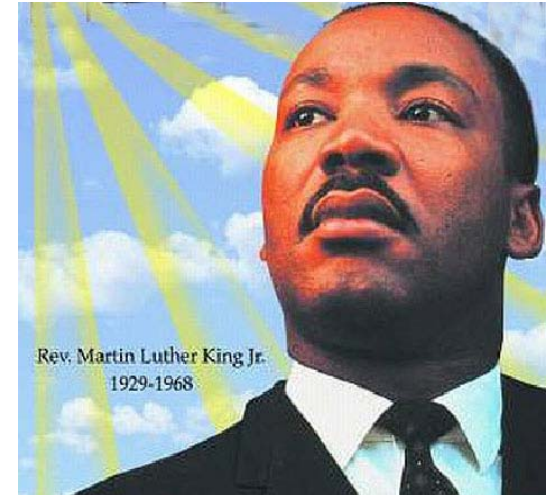

In 2015, we sponsored an auction/fish fry to benefit the Hays Caldwell Women's Center. We raised over \$5,000.
