Brush material must be tied in a bundle, not bagged. Per Lockhart City Code, the City will collect brush piles of up to 12 cubic yards (approximately 6'x9'x6', or 6'x18'x3'). However, if the brush trimming was performed by an independent contractor, they are responsible for brush collection and disposal. Brush piles greater than 12 cubic yards must be handled by a contractor or taken to an approved landfill, such as the SH130 Environmental Park.

Lastly, for the safety of our streets, crew, and residents, please don't bring your brush out to the sidewalk sooner than ONE WEEK before your district's scheduled brush pickup.
