Lockhart Police arrests robbery suspect

Lockhart Police have arrested the suspect of an aggravated robbery that happened in May. Due to the 15-year-old's suspect's age, his name cannot be released.

On May 11th, at the 300-block of Frio Street, the suspect threatened a citizen with what appeared to be a firearm in an attempt to take the person's money. That citizen was able to escape unharmed. With the help of social media and the Lockhart community, investigators were able to identify the suspect. He was ultimately located in Tomball, Texas, where he was arrested.

The Lockhart Police Department thanks the Tomball Police Department and the citizens of Lockhart for their help solving this case and making our community safer.
