**MINUTES**

Members Present: Kevin Thuerwaechter, Ron Faulstich, Ray Ramsey, Christine Ohlendorf, Jerry Haug

Members Absent: Marcia Proctor, Frank Gomillion

Staff Present: Kevin Waller, Betzy Torres, David Fowler, Fatema Akter

Public Present: Terry Black (applicant, Agenda Item 5)

1. Call meeting to order. Chair Thuerwaechter called the meeting to order at 5:29 p.m.

2. Elect Chair and Vice-Chair for 2026.

*Vice-Chair Ohlendorf moved to nominate Chairman Thuerwaechter to continue as Chairman for 2026. Commissioner Ramsey seconded the motion. Commissioner Faulstich moved to nominate Vice-Chair Ohlendorf to continue as Vice Chair. Chairman Thuerwaechter seconded the motion. The motions passed by a vote of 5-0.*

3. Citizen comments not related to an agenda item. None

4. Consider the minutes of the December 3, 2025 meeting.

*Commissioner Ramsey moved to approve the minutes as presented. Commissioner Haug seconded; the motion passed by a vote of 5-0.*

5. CFA-25-29. Consider a request by Terry Black for approval of a Certificate for Alteration for new wall signs and rooftop unit replacements on part of Lot 6, Block 19, Original Town of Lockhart, on property zoned CCB (Commercial Central Business), and located at 119 South Main St.

Planning Staff Kevin Waller presented the staff report to the Commission. The report included case maps and photos of the subject property. He stated that the request is for two new signs, with one to be placed in a location previously approved for a different sign in November 2024 but never utilized, as well as for three new rooftop heating and cooling units. The three new units will be subject to a double-fee, as they were installed before securing the required permits. These units will have screening around them. Staff recommends approval.

Chairman Thuerwaechter asked for the applicant to come forward.

Applicant and owner Terry Black of 1409 Connolly Cr., Lockhart, TX, provided an overview of the proposal.

Commissioner Faulstich asked for more details on the screening for the rooftop units, and if the units will have proper ventilation.

Mr. Black stated that the screening panels will be located three to four feet away from the units, with a clearance of 12 inches from their mounting locations on the roof, and will stand five feet in height. The units will not be visible from a public street, and will have proper ventilation.

*Commissioner Faulstich moved to approve CFA-25-29. Commissioner Ramsey seconded; the motion passed by a vote of 5-0.*

6. Consider a recommendation to the City Council for the proposed text amendments to Sections 28-10(d), 28-10(e)(3), and 28-11(b)(3) of the Historic Districts and Landmarks Ordinance.

Mr. Waller briefly discussed each proposed amendment, which has been requested by a member of the Commission who is absent from this meeting, and asked if the Commission wishes to table this item to the next meeting in which that member is present.

*The agenda item was tabled to the next meeting in which all Commission members are present, by Commission consensus.*

7. Discuss the funding status for City-designated historic landmark plaques.

*The agenda item was tabled to the next meeting in which all Commission members are present, by Commission consensus.*

8. Discuss the date and agenda of the next meeting, including Commission requests for agenda items.

Mr. Waller stated that next regularly scheduled meeting would be held February 4<sup>th</sup>, 2026. No applications have been submitted to date.

9. Adjournment.

*Commissioner Faulstich moved to adjourn the meeting, and Vice-Chair Ohlendorf seconded. The motion passed by a vote of 5-0, and the meeting adjourned at 5:46 p.m.*

## CASE SUMMARY

---

STAFF: Kevin Waller, Historical Preservation Officer/Senior Planner *KW* CASE NUMBER: CFA-26-01  
REPORT DATE: January 27, 2026  
MEETING DATE: February 4, 2026  
APPLICANT'S REQUEST: Window and hanging signs  
STAFF RECOMMENDATION: **Approval**  
CONDITION: Hanging sign must maintain at least 7 feet of clearance above the public sidewalk

## BACKGROUND DATA

---

APPLICANT: Jessica Harrison  
OWNER: Mary Chambers  
SITE LOCATION: 111 E. San Antonio St.  
LEGAL DESCRIPTION: Lot 2, Block 23, Original Town of Lockhart  
EXISTING USE OF PROPERTY: Vacant commercial building  
PROPOSED USE OF PROPERTY: Commercial (Retail)  
ZONING CLASSIFICATION: CCB (Commercial Central Business)

## ANALYSIS OF ISSUES

---

PROJECT DESCRIPTION: The applicant proposes a window sign and hanging sign for a new retail vintage store, Fringe House Vintage, at the subject property. This property formerly housed the "Cult of Happy" retail business. The proposed vinyl window sign, to be located in the front door glass, will read "Fringe House" in stylized, cream-colored cursive lettering, with "Vintage" in a dark brown all-caps font beneath the business name. The wooden hanging sign will contain the initials "FH" in a cursive font on the left side, with "Vintage" in large, capital lettering along the majority of the sign board. All text for this sign will be brown in color against a white background, framed with a black border. This sign would typically be reviewed administratively as a pre-approved sign; however, the window sign is not considered pre-approved, and the consideration of both signs on one application will help to streamline the process for both Staff and the applicant. It should also be noted that an hours of operation sign will be added to the lower portion of the front door, beneath the business name sign. The hours of operation sign will measure 12 inches by 12 inches, or one square foot, and is exempt from the Sign Permit requirements per Section 46-7(19) of the Sign Ordinance, and is also exempt from this Certificate for Alteration.

COMPATIBILITY: The proposed signs are not of a scale or design that would detract from the character of the Courthouse Square Historic District. Numerous window and hanging signs can be found on the Square, including on the same block as the subject property, such as at the Culinary Room and Jennifer Lindberg Studio.

COMPLIANCE WITH STANDARDS: The signs comply with the Sign Ordinance, and the required Sign Permit is subject to approval of this Certificate for Alteration. A condition of approval is recommended that a 7-foot clearance is maintained between the hanging sign and public sidewalk.

ALTERNATIVES: None necessary.

**SUBJECT:** Ordinance amendments and Landmark plaques update (Agenda Items 6 and 7)

**DATE:** December 18, 2025

Agenda Item 6: Consider a recommendation to the City Council for the proposed text amendments to Sections 28-10(d), 28-10(e)(3), and 28-11(b)(3) of the Historic Districts and Landmarks Ordinance.

A member of the Commission recently requested amendments to the Ordinary Maintenance section of the Historic Districts and Landmarks Ordinance with regard to the repainting of previously painted exterior surfaces in the Historic District and on City-designated Historic Landmarks. The amendments would expand the ordinary maintenance element in Sections 28-10(d) and 28-10(e)(3) to include a change in color shade, such as from a light gray shade to a dark gray, in addition to the existing provision to allow same-color-only repainting as ordinary maintenance. The amendments would also remove the inconsistency between the above-referenced sections, in which Section 28-10(d) presently states that repainting may include a change in color as ordinary maintenance. The repainting to a different color entirely, such as from green to red, would continue to be subject to the requirement for a Certificate for Alteration. According to Staff's research of the ordinances of 7 peer cities, repainting is considered ordinary maintenance, with no distinction made between new or original colors. The proposed amendments to these two sections, enclosed with your packet materials, would also specify that a city permit is not required for either the initial painting or repainting in any form. Note that the Commission will make a recommendation on this item to the City Council, which will make the final decision.

It was also recently requested by a member of the Commission that composite, wood-like materials that replace painted exterior wood surfaces be allowed as an exemption from the requirements for a Certificate for Alteration in Section 28-11(b)(3). This would broaden the scope of the current provision that only allows for wood replacement with a durable cementitious wood material as an exemption from a Certificate for Alteration. Staff's research of the 7 peer cities yielded no specific exemptions for the replacement of wood materials with other materials of a similar appearance. The proposed amendment, enclosed, also stipulates that the new material be painted, or imbedded, with a color that is similar to the original paint color. During earlier discussions of this amendment in recent Commission meetings, members of the Commission also suggested that a subcommittee be formed to analyze this particular

amendment proposal. However, Staff feels that the amendment is straight-forward and can be voted upon by the full Commission, with a recommendation to the City Council.

Agenda Item 7: Discuss the funding status for City-designated historic landmark plaques.

According to a recent discussion of the funding and budget status for historic landmark plaques with the Finance Department, there is currently no specific earmarked budget for the plaques. However, it should be noted that there are funds from the Planning Department's printing and materials budget that could be utilized for a few plaques at this time. We would also entertain a cost-sharing arrangement for those Landmark owners who wish to have a plaque. It should also be noted that a specific plaque design has yet to be chosen, and production costs should also be revisited. Once those elements are developed, to also include a list of Landmark owners who are interested, the project can then move forward.

## CHAPTER 28. HISTORIC DISTRICTS AND LANDMARKS

### DIVISION 1. GENERALLY

#### Sec. 28-10. Ordinary maintenance.

- (d) Repainting to the same color, including a change in color shade, such as from a light gray shade to a dark gray, shall be considered ordinary maintenance, ~~and may include a change in color of painted surfaces.~~ Repainting to a different color, such as a change from green to red, will require a certificate for alteration. A city permit is not required for repainting in any form.
- (e)(3) Painting a previously unpainted brick, stone or other masonry surface or changing the color of any previously painted surface, including trim. Repainting to the same color, including a change in color shade, such as from a light gray shade to a dark gray, shall be considered ordinary maintenance. A city permit is not required for either the initial painting or repainting in any form.

#### Sec. 28-11. Certificate for alteration for historic landmarks or historic districts.

- (b)(3) Exterior wood. Replacement of existing painted wood on the exterior of a building with a durable composite wood-like ~~cementitious-wood~~ material is exempt if the material is painted or the color is imbedded and does not make a physical change to the exterior elements, design features, ~~finishes~~ or appearance of the property, and is similar in color to the original paint color.
