The Lockhart Police Department has set selection standards at a high level. The police profession is demanding and it is the intent of this department to hire only those applicants who can meet these rigorous physical and mental standards. This process is designed to include serious candidates who can meet the challenge.

FAILURE AT ANY STAGE OF THE TESTING PROCESS IS A DISQUALIFIER.

The Lockhart PD testing process consists of four (4) stages:

Stage Three – (Physical Agility Testing) Obstacle Course.

The physical agility test includes successfully completing the Lockhart PD obstacle course within specified time limits. The obstacle course contains sixteen challenges that reflect the types of physical demands a patrol officer will encounter while on duty in Lockhart. These obstacles are also consistent with the physical demands contained in the police officer job description and you are required to complete in 5 minutes or less.

Stage Four - Firearms Testing.

Applicants who pass both the written exam and physical agility testing will be contacted to complete the firearms testing as necessary during the selection process. Candidates are expected to meet department firearms qualification standards with both handgun and shotgun. The applicant will provide his/her own factory ammunition. The police department will provide shotgun rounds. Handgun must be of semi auto version, no smaller than 9mm.
